ABOUT US

A leading fertilizer and pesticide manufacturer. We specialize in manufacturing and packaging agricultural fertilizers using the latest production technology. The company's policy is to import distinctive, high-quality products with the aim of increasing crop productivity, keeping pace with agricultural development, and improving production quality. We are working to take steps toward exporting fertilizers and pesticides and competing outside Egypt to conquer global markets.

ISO Certifications

VISION & MISSION

COMPANY MISSION

Techno Valley Agricultural Development is committed to enhancing agricultural productivity by offering innovative and eco-friendly fertilizers and crop protection solutions. We strive to support farmers with expert guidance, reliable products, and continuous development to promote sustainable agriculture and increase crop yields.

COMPANY VISION

To be a leading company in agricultural development by providing high-quality fertilizers and agricultural solutions that support sustainable farming and ensure food security for future generations.

OUR VALUE

AGRICULTURAL FERTILIZERS

At Techno Valley, we offer a wide range of high-quality agricultural fertilizers designed to enrich soil health and boost crop productivity. Our products are formulated to meet the specific nutritional needs of different crops throughout all growth stages.

AGRICULTURAL PESTICIDES

We provide effective and environmentally responsible crop protection solutions. Our range of agricultural pesticides helps control pests and diseases, ensuring healthier plants and higher yields with minimal environmental impact.

SUSTAINABILITY AND INNOVATION

Innovation and sustainability are at the core of our operations. We continuously invest in research and development to create products that support sustainable farming practices, reduce environmental impact, and improve agricultural efficiency.

TECHNICAL SUPPORT

Our expert agronomists provide personalized technical support to farmers, helping them choose the right products and apply them effectively. We are committed to being a trusted partner throughout every stage of the agricultural cycle.

PARTICIPATION IN EXHIBITIONS

AGRI EXPO 2025

Techno Valley for Agricultural Development is proud to participate in the Agri Expo, showcasing its latest innovations in agricultural fertilizers and bio-stimulants. With a commitment to sustainability, quality, and innovation, Techno Valley continues to support farmers by providing advanced solutions that enhance crop productivity and soil health. We look forward to connecting with industry professionals and partners to share our vision for a more efficient and sustainable agricultural future.

AGRI EXPO 2026

Techno Valley for Agricultural Development proudly announces its distinguished participation in Agri Expo 2026, one of the leading specialized exhibitions in the agricultural sector. This participation reflects the company's pioneering role in supporting and advancing modern agricultural systems. During the exhibition, Techno Valley showcases its latest innovative solutions in agricultural fertilizers, soil enhancers, and bio-stimulants, keeping pace with global developments while meeting the needs of both local and regional markets. The company strongly believes in the importance of direct engagement with experts and industry professionals, as the exhibition provides an ideal platform for exchanging expertise and building strategic partnerships that open new horizons toward a more advanced, efficient, and sustainable agricultural future.

CHIEF EXECUTIVE OFFICER

At Techno Valley for Agricultural Development, we take great pride in our mission to provide high-quality fertilizers that meet the needs of modern agriculture both in Egypt and across international markets. With over a decade of experience in importing and exporting agricultural inputs, our commitment to excellence, sustainability, and innovation remains at the heart of everything we do.

We believe that strong partnerships and customer trust are the foundation of long-term success. That's why we continue to invest in advanced solutions that enhance soil fertility and crop productivity while supporting farmers in facing today's agricultural challenges.

We welcome you to discover how Techno Valley can be your trusted partner in growth—locally and globally.
